BLACKINGCOAL

BIG ROCK

Release Date March '17

BLACKINGCOAL

BlackingCoal is dedicated to one thing..making sure you have a good time! On his latest release Big Rock he once again fuses elements of old school blues, mountain funk and 50s & 60s inspired rock & roll. A veteran of over 30 years experience, he has performed in every possible venue you can think of. Barn dances, raves, nightclubs, concert halls, huge festivals and intimate living rooms, he's played them all, and everytime, he makes sure that your feet move, your hips shake and your butt wiggles! From blues and greasy guitar lines to banging out the rhythm on his foot drums, he keeps the groove rock steady, whether solo or with his longtime bass wrangler Clint "Cap'n Easy" Lewis or other guests, it's all designed for one purpose- to make you move!
